

Graduates with humanities majors earn comparable median salaries

(\$53,000 for English majors, for example) to those majoring in biology (\$56,000), environmental science (\$57,000), and psychology (\$49,000). By age 40, liberal arts degree holders actually surpass STEM degree holders in average annual salary.

REALITY

Come and learn more about the Liberal Arts majors and Liberal Arts Options at LaGuardia Community College!
