

DARE TO DO MORE

Community College

October 20, 2023

Dear LaGuardian,

On behalf of campus faculty, staff, and administrators, we congratulate you on your academic achievements, leadership roles, and service in and out of the classroom. In that spirit, we are honored to select you to join the **Transfer Scholars Network** (TSN) this year.

You have been nominated for TSN because you are competitive for admission at any of the 16 four-year partner colleges and universities:

Private Research Universities	Private Liberal Arts Colleges	Private Women’s Colleges
<u>Brown University</u> , RI	<u>Amherst College</u> , MA	
<u>Cornell University</u> , NY	<u>Bates College</u> , ME	<u>Mount Holyoke College</u> , MA
<u>Johns Hopkins University</u> , MD	<u>Bowdoin College</u> , ME	<u>Smith College</u> , MA
<u>Massachusetts Institute of Technology</u> , MA	<u>Pomona College</u> , CA	<u>Wellesley College</u> , MA
<u>Princeton University</u> , NJ	<u>Swarthmore College</u> , PA	
<u>Rice University</u> , TX	<u>Williams College</u> , MA	
<u>Yale University</u> , CT		

More than 600 students from across the country have joined this network since 2021 to realize their potential at these schools. TSN scholars receive these benefits:

- Directly connect with other transfer students and senior admissions representatives at partner institutions of interest.
- Leverage personalized support and volunteer advising to navigate the application, financial aid, and credit transfer processes.
- Engage in exclusive, informational and topic-based webinars over the 2023-24 academic year.
- Receive full demonstrated financial aid if admitted. **That means you earn generous grants and scholarships, graduating with little (if any) debt**

How can you be a part of the network?

1. TSN is offering the opportunity to join exclusive webinars admissions leaders at each of the 16 four-year partners and access their resources. Fill out this [one-page interest form](#) to access these offerings. [Email one of us for the password.](#)
2. In early November, you’ll **complete the TSN student application**, which takes approximately 20 minutes. The application includes prompts for basic demographic and academic information, your transfer enrollment plans, and the four-year partners you want to connect and engage with.

At that point, you will continue to take part in TSN engagements and receive support from TSN staff and four-year partners of interest. If you have questions, please contact any of LaGuardia’s TSN contacts below.
