President's Society Ambassadors have access to special growth opportunities to build their leadership skills by representing LaGuardia Community College at important functions.

ALUMNI

The program has over 600 alumni since we started in 2013. Proudly, 95% are LAGCC graduates or soon-to-be graduates, and 87% transferred to esteemed senior colleges. Our alumni are at colleges like Columbia, Cornell, Amherst, Brown, Wellesley, and NYU as well as all the excellent CUNY colleges.
