

Call for Japan Club's Board for Fall 2024

Self-nomination deadline on Wednesday, June 5, 2024

The Japan and Entertainment Club is seeking energetic and passionate individuals to join our executive board for the Fall 2024 semester. This is your opportunity to lead, organize, and bring your fresh ideas to a club dedicated to celebrating Japanese culture and entertainment such as anime, manga, video games, J-pop, or just Japanese culture in general.

In the past fall semesters, we organized various cultural events in the fall semesters, including visits to Japan Fes, participation in NYC Comic Con, hosting Fall Fest, and workshops like Japanese Calligraphy. We also hosted events such as Japanese Horror Movie Day and Transfer Workshops with Temple University Japan, fostering cultural exchange and student engagement.
